## Route

## Participants

This event is aimed at experienced handbikers (E-handbikes are permitted) who wish to complete the route as recreational athletes. Ideally, participants take part together with a companion on a mountain bike. Handbikers without companions will be supported and accompanied by a pool of volunteer mountain bikers.

## Getting there

Participants are responsible for their own travel to Airolo.

## Catering

Along the route, food and drink are provided by the accompanying persons. At the finish, we'll celebrate this great achievement with a hot meal at the Passo San Gottardo Restaurant.

## Changing Facilities

Accessible changing rooms and toilets are available at both the start and finish areas.

## Safety/First Aid

The route will be closed to motorized traffic during the event. Participants are responsible for their own insurance. First aid will be provided with support from external professionals. An emergency number will be given to each team at the start. An emergency contact must be provided at registration.

## Transport/Parking

Reserved parking is available at both the start and finish areas. On Piazza Motta, only brief stops are allowed for unloading handbikes. Transport of wheelchairs and spare clothing to the finish area is the responsibility of accompanying persons or the athletes themselves. Transportation can be arranged upon request.

## Participation Fee

The participation fee is Swiss francs 65.–, including participation in the Giro, use of infrastructure, lunch, and a souvenir gift. Companions participate free of charge.
